

## **SERVICES**

Our team in Bali offers you personally tailored services to suit your every need. Working together with our experienced staff, with a wealth of resources at our fingertips and a depth of understanding of all the local procedures and formalities, Isle Marine Services is able to offer you a **Premium Services**. Our aim is to ensure you have a memorable and rewarding time, cruising through the richly diverse island of Indonesian archipelago where ancient legends still flourish.

### **Clearance and Cruising Permit (CAIT)**

Isle Marine Services will handle all aspects of your cruising and clearance permits for Indonesian and South and South East Asian Destination. This includes inbound and outbound vessel clearance, as well as custom clearance for parts and equipment.

We can provide sponsorship for Social Visas allowing the crew to stay longer than the 30 days tourist visa or Visa on Arrival. This must be arranged prior to entry into Indonesian waters. Please check the terms and condition of the [CAIT](#).

## **VISA & LEGAL SERVICES**

We will arrange all your Visa and Legal requirements for you, your crew, and your guest. Arrivals and immigration clearance are personally looked after by our dedicated team.

Ongoing further travel can also be arranged in advance. We will need Passport and Travel Details to aid booking and taking care of your Visa and Legal requirements.

### **Insurance**

We can arrange insurance for your travel needs.

### **Yacht Maintenance and Care**

We provide excellent technical and engineering support and will advise you on the care and maintenance of your vessel whilst in Indonesian waters.
